Dear Jeff:

I've enclosed the background material you requested after the Harman interview. The first eight pages of The University Newsletter should provide you with all the information you'll need on the Hebrew University's 60th anniversary celebrations.

I've also provided you with a copy of our "generic" press release on the University's Rothberg School for Overseas Students and a general pamphlet that provides a brief introduction to the University.

Enclosed as well is a copy of our brochure on the Golda Meir Fellowships.

By the way, I'd like to comment you on your interviewing techniques -- your questions were provocative and to the point, and they managed to bring Harman's message out in spite of his rather tiring ordeal with the missing pilots.

If you need more information, or if I can be of any further assistance, please don't hesitate to call.

Yours,
Hal Koblin
