Mr. Jeff Rosen
Canadian Jewish News
Don Mills, Ontario
Canada

Dear Mr. Rosen,

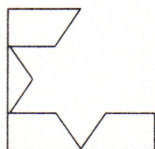

Thank you for taking the time to interview Chancellor Ismar Schorsch when he was in Toronto earlier this week. In connection with this story, I thought it might interest you to see the letter written by Dr. Schorsch in response to the Canadian Conservative cantors opposed to the admission of women to the cantorship. I have enclosed a copy.

Looking forward to seeing your story, I am,

Sincerely yours,

Monica S. Devens
