Dear Jeff:

My compliments on the excellent article you prepared regarding Million Air. Thank you very much for sending me a sample copy of the magazine, it was very thoughtful of you.

I wonder if it is possible for us to purchase up to a dozen extra copies of The Elegant Life issue that the Million Air article appeared in. We would like to use it for our own promotional reasons and I am sure this can only benefit The Elegant Life. We would be more than happy to pay for these copies. I would appreciate it if you could get in touch with me so that we can make arrangements to acquire these extra copies.

Once again, thanks very much for your assistance and for a superb article on Million Air.

Yours very truly,

Peter Allen, C.A.
