Dear Jeff,

Thank you so much for your fax and for enclosing the article you wrote when you visited Ariel with the 3rd International Conference of Jewish Media. It made very interesting reading. It is a real pleasure to read an article on Judea and Samaria written by a responsible journalist who is not trying to present his own political bias.

I hope that the next time you have the opportunity to be in Israel you will take the time to visit with us again. I have no doubt you will be impressed by the consistent growth and development in our community.

With my best wishes to you and yours for a happy Passover.

Sincerely,

Ron Nachman
