Dear Jeff,

On behalf of Israel Cancer Research Fund, I would like to express to you appreciation for printing the picture about our Tennis Weekend.

Because we do not have the funds to advertise or mail to our supporters, we are totally dependent on the C.J.N.

You are doing more good than you ever dreamed possible. Your assistance will ultimately touch many lives, give hope to so many people and help to speed the day when cancer will be conquered.

Sincerely,

Pearl Greenbaum.

Pearl Greenbaum,
Executive Director.
