Dear Mr. Rosen:

I would like to take this opportunity on behalf of the Israel Cancer Research Fund, to extend our sincere thanks to you for having included our picture and story of our "Island Bash" event (held on June 10th), on page 3 of your recent issue.

This coverage and exposure in the Canadian Jewish News helps us a great deal in promoting awareness of our organization and its fundraising efforts and ultimately helps advance cancer research.

Thank you once again for your efforts.

Yours sincerely,

Brenda Bloomstone
Executive Director
